Azeo™ provides a healthy way to sit at a price everyone can afford

Features

Extended backrest – provides additional neck and shoulder support (available on certain models)

Lumbar support – flexes with the user's body movement, conforming to body shape. Tension is adjustable

Height adjustable arms – adjust up to 4" to help alleviate arm and wrist discomfort

Molded foam – seat and back cushions are contoured to provide even and consistent support

Molded base – provides exceptional strength and stability. Carpet casters are standard. Hard surface casters and glides are optional

Task

2057-6
Low Back Task

2051-4
Low Back Tilter

2050-3
High Back Multi-Tilter

Multi-tilter

Azeo provides adjustable and flexible “active” lumbar support. It can be adjusted to provide a varied intensity of lumbar support and will flex in response to the user's body movements and requirements. This provides exceptional long-term comfort and support, helping to alleviate back, neck, and shoulder tension.

Pneumatic seat height adjustment is standard on all models.
