Azeo™ provides a healthy way to sit at a price everyone can afford

# Features

**Extended backrest** – provides additional neck and shoulder support (available on certain models)

**Lumbar support** – flexes with the user's body movement, conforming to body shape. Tension is adjustable

**Height adjustable arms** – adjust up to 4" to help alleviate arm and wrist discomfort

**Molded foam** – seat and back cushions are contoured to provide even and consistent support

**Molded base** – provides exceptional strength and stability. Carpet casters are standard. Hard surface casters and glides are optional

## Task

2057-6  
Low Back Task

2051-4  
Low Back Tilter

2050-3  
High Back Multi-Tilter

## Multi-tilter

Azeo provides adjustable and flexible “active” lumbar support. It can be adjusted to provide a varied intensity of lumbar support and will flex in response to the user's body movements and requirements. This provides exceptional long-term comfort and support, helping to alleviate back, neck, and shoulder tension.

Pneumatic seat height adjustment is standard on all models.

## Synchro-tilter

2050-1  
High Back Synchro-Tilter
