Beacon, ideal for meeting rooms, boardrooms and private offices

Beacon blends contemporary and traditional lines to create exceptional beauty. The back features precise piping details and a rolled-top backrest. The upholstered seat and back offer an elasticized, webbed suspension construction for superior comfort. The tilt action can be adjusted for the user's weight and locked in an upright position.

traditional environments

3781 - Medium Back Tilter

3780 - High Back Tilter

3780 - High Back Tilter with optional wood base (TMM)

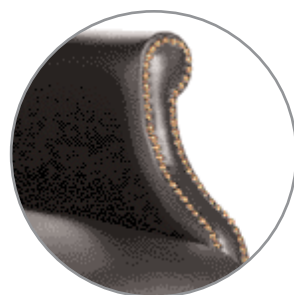

3788 - Armchair

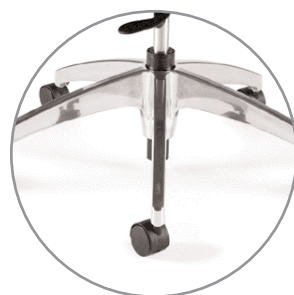

3780(B5) - High Back Tilter with optional aluminum base

Optional Features

Optional decorative nail head tacking on arm face

Polished aluminum base (B5) – optional

Black Nylon Base (Standard on selected models)

Wood Base Over Steel Frame (Standard on selected models)

Beacon is available with wood accent trim on the arms and bases and offers an optional chromed aluminum base. For more traditional environments decorative antique brass nail trim is available. Choose from a wide choice of leathers, fabrics and wood finishes to complement your executive office or boardroom.
